Your sourcing partner for Pakistani towels.

WeaveSources is a sourcing partner for Pakistani towels. We connect US and international importers, hospitality suppliers and private-label brands with suitable independent manufacturers in Pakistan, and coordinate the specification, sample approval, quality checks and export.

We do not own factories. We work on the buyer's side of the order: matching your product to suitable independent manufacturers, writing a specification with tolerances, coordinating a sample for your approval, checking production against it, and planning packing and export. You are told which partner makes your order.

THE BUYER

You

- Set the requirement
- Approve the sample
- Own the specification

SOURCING PARTNER

ABOUT THIS CATALOG

Images are illustrative styling and editorial illustrations, not photographs of specific partner facilities or production lots. No prices, stock levels, minimums or certifications are stated unless confirmed; such values are agreed during quotation.

Eight steps, each one visible to you.

01 You share your requirements

Product, use, quantity, branding, packaging and destination — rough answers are fine.

03 Specification and quotation are agreed

A written specification with tolerances, and a quotation confirmed with the partner.

05 Production starts after your approval

The approved sample becomes the production reference. Nothing starts without it.

07 Packing and shipment are coordinated

Packed and marked as specified, then handed to the forwarder on the agreed Incoterms.

02 We identify suitable manufacturing options

We match your brief to independent Pakistani manufacturers that regularly make that product.

04 Samples are prepared and reviewed

A physical sample made to the specification. You wash it, use it and request changes.

06 Quality checks follow the agreed plan

In-line checks by the partner; a pre-shipment check against your specification and sample.

08 You receive documents and updates

Check results, commercial invoice, packing list and transport documents — and a named contact throughout.

CHECKED AGAINST YOUR APPROVED SAMPLE

GSM — Weight per square metre, against target and tolerance

Dimensions — Finished length and width, against tolerance

Colour — Compared to the approved sample under consistent light

Construction — Pile, border and hem match the reference

Stitching — Hems and borders secure, no loose threads

Branding — Logo or label position, size and finish

Packing — Packed, labelled and marked as specified

Quantity — Counts per size and colour match the order

The check plan — what is checked, when and by whom — is agreed in writing before production. Laboratory tests and third-party inspections are not included by default; where needed, the method and lab are agreed with you.

MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. Retail buyers usually fix colour references and packaging artwork before the sample.

Bath Sheets

Larger format for premium rooms, spas and retail.

A bath sheet signals a step up in room category. It also changes your laundry load and storage space, so size and weight should be decided together.

USE

Suites, premium rooms, spa changing areas, retail

OFTEN SPECIFIED BY

Hotels · Spas · Retail brands

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: 100% cotton terry
GSM / WEIGHT	Specifications confirmed during quotation Commonly specified: Commonly specified between 500 and 700 GSM

MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. Heavier sheets feel generous but take longer to dry.

Hand Towels

High-turnover, everywhere.

Hand towels are replaced most often and washed most often. Matching them to your bath towels — weight, border, colour — is what makes a set look intentional.

USE

Guest bathrooms, washrooms, salons, retail sets

OFTEN SPECIFIED BY

Hotels · Salons · Vacation rentals · Distributors

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: 100% cotton terry, matched to the set
GSM / WEIGHT	Specifications confirmed during quotation Commonly specified: Usually matched to the bath towel in the same set
DIMENSIONS	Specifications confirmed during quotation Commonly specified: 40 × 70 cm · 50 × 90 cm · 16 × 30 in
CONSTRUCTION & WEAVE	Specifications confirmed during quotation Commonly specified: Terry, border matched to the set
COLOURS	Specifications confirmed during quotation Commonly specified: Matched to your set
CUSTOMISATION & BRANDING	Options confirmed on your sample, where the manufacturing partner supports them Commonly specified: Matched border · Embroidered logo · Woven label
PACKAGING	Specifications confirmed during quotation Commonly specified: Bulk export carton · Bundled (e.g. 10 pcs) and banded · Individually poly-bagged · Retail-ready packaging
MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. Ordering as a matched set reduces colour and texture variation.

Washcloths & Face Towels

Small format, high volume.

Small, washed constantly, and easy to get wrong on consistency. Washcloths are a good place to test a supplier: dimensions and hemming show quality quickly.

USE

Guest bathrooms, spa treatments, amenity kits, retail sets

OFTEN SPECIFIED BY

Hotels · Spas · Salons · Retail brands

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: 100% cotton terry, matched to the set
GSM / WEIGHT	Specifications confirmed during quotation Commonly specified: Usually matched to the set

MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. Tolerance on small dimensions matters more than buyers expect.

Coordinated Towel Sets

Bath, hand and face towels specified as one set.

A set sold or presented together has to match: same colour lot, same border, proportionate weights. Specifying the set as one product keeps every piece consistent.

USE

Retail sets, gift programmes, vacation rentals

OFTEN SPECIFIED BY

Retail brands · E-commerce brands · Private-label brands ·
Vacation-rental operators

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: 100% cotton terry

“Commonly specified” values are industry reference points, not a WeaveSources offer. Set composition and packaging artwork are usually agreed before the sample.

ILLUSTRATIVE STYLING

Hotel Bath Towels

The guest-room standard.

The towel guests judge a room by. For hotels the brief is a balance: a hand-feel that matches the room rate, and a weight your laundry can turn around without extending drying cycles.

USE

Guest rooms, suites, serviced apartments

OFTEN SPECIFIED BY

Hotels · Hotel supply companies · Commercial linen suppliers
· Distributors

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: 100% cotton terry; ring-spun yarn common
GSM / WEIGHT	Specifications confirmed during quotation Commonly specified: Commonly specified between 450 and 650 GSM
DIMENSIONS	Specifications confirmed during quotation Commonly specified: 70 × 140 cm · 27 × 54 in · 76 × 152 cm
CONSTRUCTION & WEAVE	Specifications confirmed during quotation Commonly specified: Terry with dobby border; hemmed edges
COLOURS	Specifications confirmed during quotation Commonly specified: White is standard for hospitality
CUSTOMISATION & BRANDING	Options confirmed on your sample, where the manufacturing partner supports them Commonly specified: Dobby or plain border · Embroidered logo · Woven label · Custom packaging
PACKAGING	Specifications confirmed during quotation Commonly specified: Bundled (e.g. 10 pcs) in export carton · Bulk export carton
MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. Many properties choose a mid-range weight for faster drying and lower laundry cost.

Hotel Towel Programmes

Bath, hand, face towels and bath mats for a whole room.

A full room set — bath towel, hand towel, washcloth and bath mat — specified once so every piece matches, and so replacement stock matches the original order.

USE
Hotel groups, linen suppliers, refurbishments

OFTEN SPECIFIED BY
Hotel supply companies · Commercial linen suppliers · Hotel groups

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: 100% cotton terry
GSM / WEIGHT	Specifications confirmed during quotation Commonly specified: Set by piece; bath mats usually heavier than towels
DIMENSIONS	Specifications confirmed during quotation Commonly specified: Bath 70 × 140 cm · Hand 40 × 70 cm · Face 30 × 30 cm · Bath mat 50 × 80 cm
CONSTRUCTION & WEAVE	Specifications confirmed during quotation Commonly specified: Matched dobby border across the programme
COLOURS	Specifications confirmed during quotation Commonly specified: White, or hotel colour to reference
CUSTOMISATION & BRANDING	Options confirmed on your sample, where the manufacturing partner supports them Commonly specified: Matched border · Embroidered logo · Woven label · Colour-coded hems
PACKAGING	Specifications confirmed during quotation Commonly specified: Bundled by piece type in export carton · Mixed-set cartons
MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. Linen suppliers often specify one programme for several properties, so tolerances matter.

Spa Towels

Treatment rooms and wellness.

Spa towels are often coloured, washed hot, and handled by guests in a calm setting where texture is noticed. Colourfastness and hand-feel should be agreed on the sample.

USE

Treatment rooms, wellness centres, salons

OFTEN SPECIFIED BY

Spas · Salons · Hotels with wellness facilities

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: Cotton terry, or a blend agreed in your specification
GSM / WEIGHT	Specifications confirmed during quotation Commonly specified: Varies by treatment use
DIMENSIONS	Specifications confirmed during quotation Commonly specified: Bath, hand and wrap formats · 80 × 160 cm (wrap)
CONSTRUCTION & WEAVE	Specifications confirmed during quotation Commonly specified: Terry; wrap formats with closures where required
COLOURS	Specifications confirmed during quotation Commonly specified: Neutral and brand colours
CUSTOMISATION & BRANDING	Options confirmed on your sample, where the manufacturing partner supports them Commonly specified: Colour matching · Embroidered logo · Wrap formats · Custom packaging
PACKAGING	Specifications confirmed during quotation Commonly specified: Bulk export carton · Bundled (e.g. 10 pcs) and banded · Individually poly-bagged · Retail-ready packaging
MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. Coloured towels should be checked for colourfastness before approval.

Gym & Sports Towels

Light, fast-drying, durable.

Gym towels are a different brief: lighter weight, faster drying, and colours that hide wear. Many clubs also want a logo that survives repeated commercial washing.

USE

Gyms, studios, sports clubs, team kits

OFTEN SPECIFIED BY

Gyms · Studios · Retail brands · Distributors

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: Cotton or cotton blend
GSM / WEIGHT	Specifications confirmed during quotation Commonly specified: Commonly specified in lighter weights
DIMENSIONS	Specifications confirmed during quotation Commonly specified: 30 × 90 cm · 40 × 80 cm · 50 × 100 cm
CONSTRUCTION & WEAVE	Specifications confirmed during quotation Commonly specified: Terry, optional hanging loop
COLOURS	Specifications confirmed during quotation Commonly specified: Darker colours common
CUSTOMISATION & BRANDING	Options confirmed on your sample, where the manufacturing partner supports them Commonly specified: Embroidered or woven logo · Colour by brand · Hanging loop · Retail packaging
PACKAGING	Specifications confirmed during quotation Commonly specified: Bulk export carton · Bundled (e.g. 10 pcs) and banded · Individually poly-bagged · Retail-ready packaging
MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. Lighter towels dry faster and cost less to launder.

Striped Cabana Beach Towels

Yarn-dyed stripes in large formats.

The classic cabana stripe is woven with dyed yarn rather than printed, so stripe width, colour and repeat are part of the specification and are approved on the sample.

USE

Retail, resorts, beach clubs, promotional programmes

OFTEN SPECIFIED BY

Retail brands · Resorts · Distributors · Promotional buyers

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: 100% cotton terry, yarn-dyed
GSM / WEIGHT	Specifications confirmed during quotation Commonly specified: Commonly specified in mid to heavy weights
DIMENSIONS	Specifications confirmed during quotation Commonly specified: 76 × 152 cm · 30 × 60 in · 90 × 180 cm (oversized)
CONSTRUCTION & WEAVE	Specifications confirmed during quotation Commonly specified: Yarn-dyed terry stripes; jacquard designs also specified
COLOURS	Specifications confirmed during quotation Commonly specified: Stripe colours to your references
CUSTOMISATION & BRANDING	Options confirmed on your sample, where the manufacturing partner supports them Commonly specified: Stripe width and colourway · Jacquard logo or pattern · Woven label · Retail packaging
PACKAGING	Specifications confirmed during quotation Commonly specified: Rolled and banded · Individually poly-bagged · Bulk export carton
MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. Colourfastness to light, chlorine and salt water should be agreed on the sample.

Pool & Resort Towels

Durable pool-deck towels in resort colours.

Pool towels are handled outdoors, washed hard and replaced often. A distinct colour or stripe keeps them separate from guest-room towels in the laundry.

USE

Hotel pools, resorts, cruise and leisure operators

OFTEN SPECIFIED BY

Resorts · Hotel supply companies · Leisure operators · Commercial linen suppliers

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: 100% cotton terry
GSM / WEIGHT	Specifications confirmed during quotation Commonly specified: Commonly specified in mid weights for durability and drying
DIMENSIONS	Specifications confirmed during quotation Commonly specified: 76 × 152 cm · 80 × 160 cm · 35 × 70 in
CONSTRUCTION & WEAVE	Specifications confirmed during quotation Commonly specified: Yarn-dyed stripe or solid colour terry
COLOURS	Specifications confirmed during quotation Commonly specified: Resort colours to your reference
CUSTOMISATION & BRANDING	Options confirmed on your sample, where the manufacturing partner supports them Commonly specified: Stripe or solid colour · Embroidered or jacquard logo · Colour coding by area
PACKAGING	Specifications confirmed during quotation Commonly specified: Bundled in export carton · Bulk export carton
MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. A distinct colour keeps pool towels out of the guest-room laundry stream.

Kitchen & Tea Towels

Flat-weave towels with classic stripes.

Flat-weave cotton or cotton-linen towels for drying glassware and dishes. Stripe placement, hanging loops and lint behaviour are the details buyers notice.

USE

Retail homeware, restaurants, gift sets

OFTEN SPECIFIED BY

Homeware brands · Retail brands · Restaurant suppliers · Private-label brands

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: Cotton or cotton-linen flat weave
GSM / WEIGHT	Specifications confirmed during quotation Commonly specified: Light weights; specified by construction
DIMENSIONS	Specifications confirmed during quotation Commonly specified: 50 × 70 cm · 45 × 65 cm · 20 × 28 in
CONSTRUCTION & WEAVE	Specifications confirmed during quotation Commonly specified: Plain, herringbone or yarn-dyed stripe weave
COLOURS	Specifications confirmed during quotation Commonly specified: Stripe colourways to your references
CUSTOMISATION & BRANDING	Options confirmed on your sample, where the manufacturing partner supports them Commonly specified: Stripe colourway · Hanging loop · Woven or printed label · Retail bands
PACKAGING	Specifications confirmed during quotation Commonly specified: Banded sets of 2-4 · Retail header cards · Bulk export carton
MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. Shrinkage after washing should be agreed alongside finished size.

Waffle-Weave Cloths

Quick-drying honeycomb weave.

The waffle or honeycomb weave dries quickly and has a distinctive texture that sells well in retail. Cell size and weight define how it feels and performs.

USE

Kitchen, cleaning and retail homeware

OFTEN SPECIFIED BY

Homeware brands · Retail brands · E-commerce brands

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: 100% cotton waffle weave
GSM / WEIGHT	Specifications confirmed during quotation Commonly specified: Specified by construction and cell size
DIMENSIONS	Specifications confirmed during quotation Commonly specified: 33 × 33 cm · 40 × 60 cm · 50 × 70 cm
CONSTRUCTION & WEAVE	Specifications confirmed during quotation Commonly specified: Waffle / honeycomb weave, hemmed edges
COLOURS	Specifications confirmed during quotation Commonly specified: Solid colours to your reference
CUSTOMISATION & BRANDING	Options confirmed on your sample, where the manufacturing partner supports them Commonly specified: Colour · Cell size · Hanging loop · Woven label
PACKAGING	Specifications confirmed during quotation Commonly specified: Banded sets · Retail packaging · Bulk export carton
MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. Waffle cloths shrink as the weave closes up; agree finished size after washing.

Bar Mops & Utility Cloths

Absorbent terry cloths for bars and kitchens.

Bar mops are bought by the dozen and judged by absorbency and how many washes they survive. Weight per dozen is often the key commercial specification.

USE

Bars, restaurants, commercial kitchens, janitorial

OFTEN SPECIFIED BY

Restaurant & bar suppliers · Janitorial distributors · Commercial linen suppliers

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: Cotton terry (ribbed or plain)
GSM / WEIGHT	Specifications confirmed during quotation Commonly specified: Often specified by weight per dozen
DIMENSIONS	Specifications confirmed during quotation Commonly specified: 16 × 19 in · 40 × 50 cm
CONSTRUCTION & WEAVE	Specifications confirmed during quotation Commonly specified: Ribbed or plain terry, hemmed edges
COLOURS	Specifications confirmed during quotation Commonly specified: White; coloured stripes for colour coding
CUSTOMISATION & BRANDING	Options confirmed on your sample, where the manufacturing partner supports them Commonly specified: Colour-coded stripe · Weight per dozen · Bundling
PACKAGING	Specifications confirmed during quotation Commonly specified: Bundled by the dozen · Bulk export carton
MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. Agree weight per dozen with a tolerance, as you would GSM for towels.

Terry Bathrobes

Shawl-collar and kimono robes, alone or with matching towels.

A robe brings size grading, collar style, pockets and belt loops into the specification. Many buyers order robes with a matching towel set so the colour lot is shared.

USE

Hotels, spas, retail and gift sets

OFTEN SPECIFIED BY

Hotels · Spas · Retail brands · Gift-set brands

MATERIAL COMPOSITION	Specifications confirmed during quotation Commonly specified: Cotton terry; waffle and velour finishes also specified
GSM / WEIGHT	Specifications confirmed during quotation Commonly specified: Specified by fabric construction
DIMENSIONS	Specifications confirmed during quotation Commonly specified: S/M, L/XL · One size · Custom size grading
CONSTRUCTION & WEAVE	Specifications confirmed during quotation Commonly specified: Shawl or kimono collar, patch pockets, belt and loops
COLOURS	Specifications confirmed during quotation Commonly specified: White, neutrals or brand colours
CUSTOMISATION & BRANDING	Options confirmed on your sample, where the manufacturing partner supports them Commonly specified: Collar style · Embroidered logo · Woven label · Matching towel set
PACKAGING	Specifications confirmed during quotation Commonly specified: Individually folded and poly-bagged · Hanger and retail bag · Gift box
MINIMUM ORDER QUANTITY	Specifications confirmed during quotation Commonly specified: Depends on product, colour and branding
SAMPLE	Available — cost and timing confirmed in writing before anything is made
COMPLIANCE	Partner documentation discussed for your order — see Partner credentials

“Commonly specified” values are industry reference points, not a WeaveSources offer. Size grading and shrinkage should be checked on a washed sample.

Your brand on it. Every option confirmed on the sample.

Logos

Embroidered, woven or jacquard — depending on product and volume.

Labels

Brand, care, size and country-of-origin labels; swing tags; barcodes.

Colour

Dyed to your reference or Pantone; yarn-dyed stripes for beach and kitchen.

Construction

Border style, pile, size, hem and set composition.

Packaging

Bulk carton, bundled, poly-bagged, retail-ready or gift-boxed.

Artwork

Packaging and label artwork approved before production.

Options are offered only where the manufacturing partner for your order supports them.

05 · PACKAGING & EXPORT COORDINATION

Goods are packed and marked as specified, then handed to your forwarder or ours on the Incoterms agreed per order. Each shipment comes with the documents its destination requires — typically a commercial invoice, packing list and transport document, plus a certificate of origin and the pre-shipment check report where required.
